WRITTEN OFFER

Telekom Deutschland GmbH hereby offers to give you or any third party, for a charge no more than the cost of physically performing source distribution, on a medium customarily used for software interchange a complete machine-readable copy of the corresponding source code of the software given to you under any copyleft license (particularly under the GNU General Public License (GPL), the GNU Lesser General Public License, or the GNU Affero General Public License (AGPL)). To receive such source code please contact Telekom as follows:

Deutsche Telekom Außendienst GmbH

Individual Solutions & Products

CCS BS30 T7

Am Seestern 3

40547 Düsseldorf

In order to receive the correct source code please name the applicable Octopus NetPhone version which can be found on the home screen of your Octopus NetPhone Administration on the Octopus NetPhone Server.

Should your request be regarding the NetPhone Client, you can find the current software version by using the “help” button on the client.
